**RE:** Wildfire & Other Natural Disaster Resources for Agricultural Producers

**To:** Ag Producers Impacted by Wildfire & Other Natural Disasters

The following is a list of resources available to producers relevant to both short and long-term needs. Other resources may become available in the future and the list will be updated as information becomes available.

**2024 Eastern OR Wildfire Recovery Hay Request Form:** if you need hay/feed for livestock, please click on either the QR code or the link below to fill out an electronic survey. Alternatively, you may also contact your local extension agriculture agent and they can collect your needs information and upload to the database.

<https://forms.gle/13Ddb2idyGaNRhnHA>

**Oregon Div. of Financial Regulation:** provides helpful insurance coverage advice and info related to the recovery process after wildfire (e.g. filing claims, rights as an insurance policy holder, additional living expenses associated with temporary housing, etc.)

<https://dfr.oregon.gov/insure/home/storm/Pages/wildfires.aspx>

**USDA - Farm Service Agency (Federal):** producers impacted by wildfire or other natural disasters should contact their local USDA Service Center (<https://www.fsa.usda.gov/state-offices/index> ) to report losses and learn about disaster relief program options.

**Farmers.gov:** this online portal provides producers with greater access to all USDA federal disaster relief programs. <https://www.farmers.gov/>

**Ag Disaster Relief Resource Computers:** Located at OSU Extension Service county offices around the state, these resource computers are available to producers to readily access information on federal/state relief programs. Find your local extension office at <https://extension.oregonstate.edu/find-us>

**OR-Alert (State of Oregon):** state website that enables you to sign up for emergency alert programs through county emergency management departments. <https://oralert.gov/>

Agricultural Sciences & Natural Resources, Family and Community Health, 4-H Youth, Forestry & Natural Resources, Extension Sea Grant, Open Campus, and Outdoor School programs. Oregon State University, United States Department of Agriculture, and Oregon counties cooperating. The Extension Service offers its programs and materials equally to all people.

**Oregon Wildfire Response & Recovery (State of Oregon):** website provides information on current fire evacuation information and boundaries, shelter locations, county & tribal emergency management contacts, wildfire recovery & cleanup resources, and wildfire preparation/prevention. <https://wildfire.oregon.gov/>

**Oregon Dept. of Agriculture:** access to the NW Interagency Coordination Center fire location map, animal sheltering dashboard, other animal resources, and any state-level disaster assistance programs (ODAP) that may become available.  
<https://www.oregon.gov/oda/agriculture/Pages/WildfireResources.aspx>

**AgriStress Helpline for Oregon:** call or text the hotline at 833-897-2474 for immediate help to deal with stress/mental health concerns (24-hr/day, 7 days/week)

**OSU Extension Service Farm and Ranch Stress Assistance Network:** resources and training materials to help recognize signs/symptoms of stress and suicide.
